Everybody gets
to be a star
on the NCAL walk of fame

 so stand up
and be counted!

Imagine the path to your next best friend, paved with tributes to your animal friends.

Community support is what keeps North Country Animal League going and growing. Now, we've set our sights on a powerful and permanent tribute to animals and animal lovers with engraved brick walkways leading into the shelter. It will take thousands of 4"x8" bricks to build NCAL's walk of fame, one to match each of the nearly 7,000 dogs and cats lives saved through NCAL's work so far.

We're counting on your help to build this tribute, to recognize the animals *and you*, their lifetime caregivers. Purebred, mutt, show or stray, working dog or couch potato, mouser or lounge—they all have so much to give, as those of us who cherish all kinds of animals in our lives know so well.

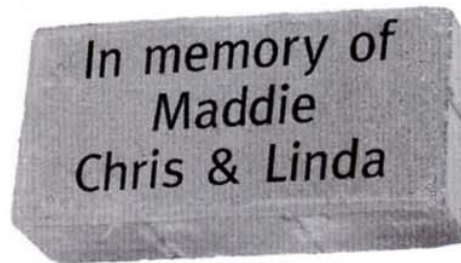

Have fun by donating bricks engraved with your name(s) perhaps as a wedding, anniversary or birthday gift. Maybe you know an extraordinary person or pet you would like to honor or memorialize. The possibilities are as endless as you can dream of, as the walk of fame is built.

You could even suggest donation bricks "in lieu of" gifts for an upcoming occasion or event; call it your NCAL "housewarming" present.

Please join this testament to all the awesome animals and their advocates. Pave the path to future happy homes for many pets, brick by brick.

Thank you from the animals!

Who we are

North Country Animal League is a limited admissions non-profit shelter for homeless animals serving northern Vermont. No animals are euthanized to make room for more homeless pets. We work hard to find permanent loving homes for the animals we take in—as long as it takes, whatever it takes.
