# Donate Vermont granite pavers to NCAL engraved with your legacy of love.

Have you noticed the exciting progress at NCAL this summer? Trees, boulders, bushes, and flowers have replaced dirt and dust, and our sidewalk foundations have been built! These sidewalks will lead new and past adopters right into the shelter to find their next best friend.

The walkways will be brick, accented by 200 distinctive salt & pepper Vermont granite pavers. So we're inviting you to be one of 200 donors to show "outstanding" support (pun intended) on NCAL's sidewalk of fame!

The cornerstones of the brick walkways will be the 200 granite pavers. A wide appeal for the small donor bricks will be ongoing until the sidewalks are finished.

The granite pavers will go to the first 200 donors who truly want to stand out. The \$250 donation can be paid in two installments, over two years. Honor your family or your business, or memorialize your beloved pets—past and present. This is your legacy of love for animals.

The granite pavers are 8" x 16" and will be engraved with black lettering. Your \$250 donation includes up to 20 characters. Additional characters are available, up to 36 total, for \$2.25 each.

Clip and return our easy form to create your legacy gift. All of us at NCAL appreciate your friendship and support. Please don't miss this legacy opportunity to share your commitment. Thank you for your care, your compassion, and your vision for a humane community.

The animals are truly grateful.
