## Executive Director

Jacques Du Preez

Dear Friends of NCAL,

As I reflect on 2024, I am filled with immense gratitude for our community's unwavering support. Thanks to your compassion and generosity, North Country Animal League was able to give hundreds of animals a second chance, support families in crisis, and expand our reach as a vital resource for both animals and people.

This past year brought significant change, including the difficult but necessary decision to divest from our Equine Center. While emotional, this shift allowed us to refocus and reallocate resources, leading to record-breaking adoption numbers, the launch of new community programs, and a revitalized commitment to our core mission.

Our success would not be possible without you. But as we look to the future, we recognize that we are operating in uncertain times. Many are feeling economic pressures, and as more families struggle, the demand for our services continues to rise. Now, more than ever, we must come together for the animals who depend on us—for every dog needing a warm bed, every cat awaiting a new home, and every family seeking support to keep their beloved pet.

Together, we are building a more compassionate world. Thank you for standing by our side.

With heartfelt gratitude,

Jacques Du Preez  
Executive Director  
North Country Animal League

*Last Year's*

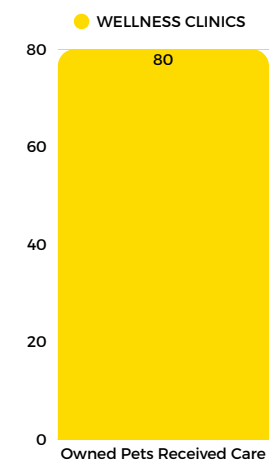

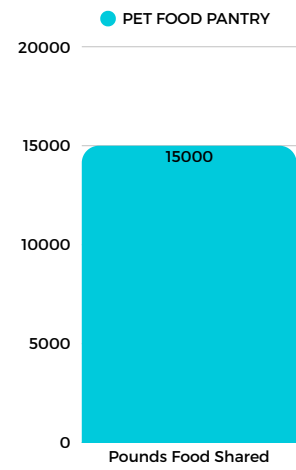

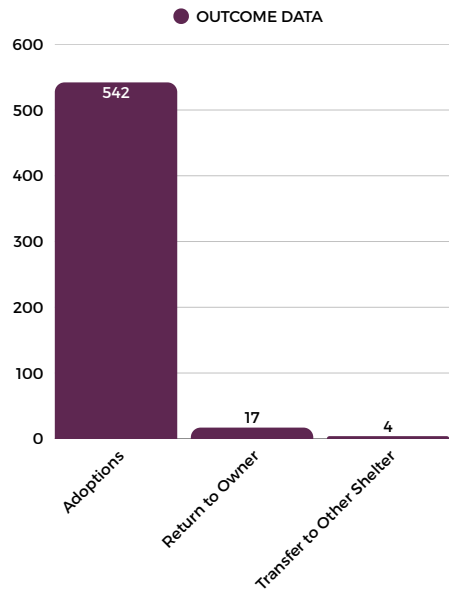

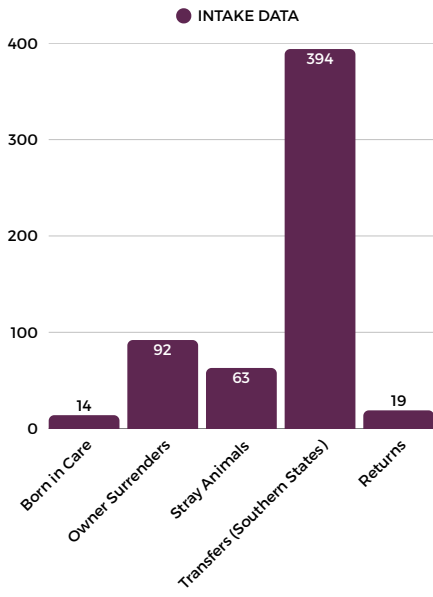

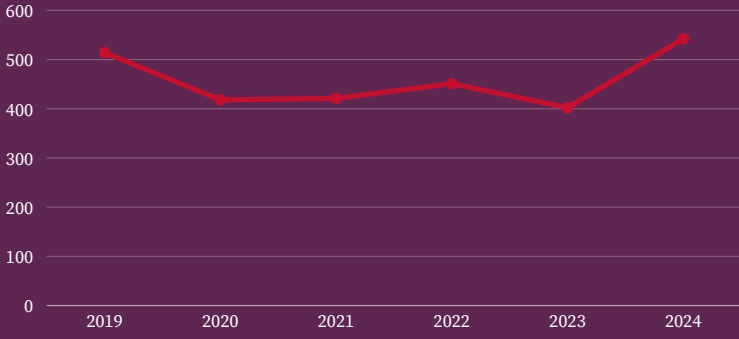

# ADOPTIONS & ANIMAL IMPACT

In 2024, NCAL celebrated an extraordinary year for animal adoptions, finding loving homes for 542 dogs and cats—a 34% increase over the previous year and the highest number of adoptions in six years. This milestone reflects not only the dedication of our shelter team and volunteers, but also the growing support from our community. Every adoption represents a second chance, and in 2024, more animals than ever before got the fresh start they deserved.

# FINANCIAL OVERVIEW

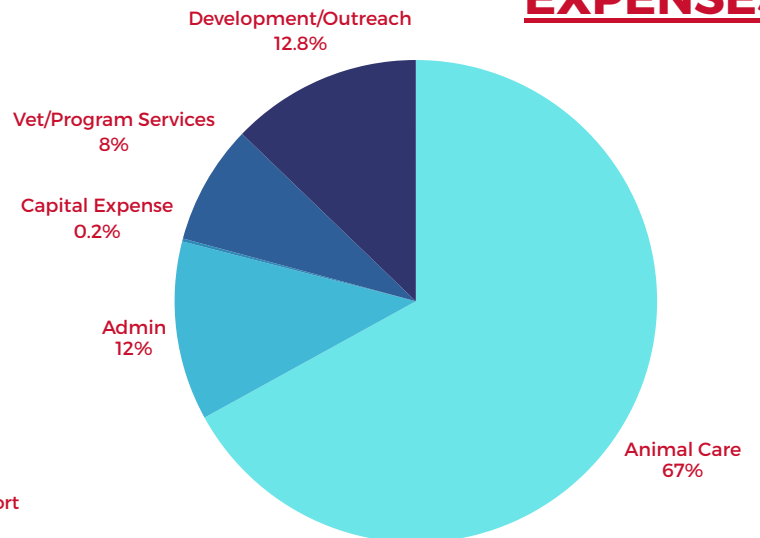

North Country Animal League does not receive any federal or state funding—we rely 100% on the generosity of our community to sustain our work. Every dollar donated helps provide shelter, medical care, and second chances for animals in need. Thanks to the incredible support from individuals, businesses, and foundations in 2024, we were able to meet growing demand and expand our impact. We are deeply grateful to everyone who contributed—your compassion made a tremendous difference.

# TAILS OF IMPACT

## Neely's Story: From Trauma to True Love

Neely's journey began with unimaginable cruelty. As a tiny kitten in Tennessee, she was thrown from a moving vehicle and left injured and terrified on the side of the road. A kind stranger who witnessed this act of violence rushed to her aid, bringing her to an animal hospital where she underwent emergency surgery for a severe degloving injury to her jaw and broken teeth. Miraculously, she survived—and that same good Samaritan gave her a loving home for the next two years.

When life brought her owner to Vermont, heartbreaking circumstances forced him to surrender Neely to NCAL. She was devastated. In the unfamiliar shelter environment, she shut down—too overwhelmed to eat, hiding from everyone, and unable to be handled.

But we knew this wasn't the end of her story. Neely was placed into a quiet foster home where she could decompress and begin to heal. Just 24 hours in, she was leaning into gentle pets, finding comfort again. Our veterinary team then performed a delicate surgery to remove a damaged tooth left untreated due to her earlier injuries. With the pain finally gone, Neely's personality began to shine. She revealed herself to be a sweet, affectionate lap cat—chirping softly and making biscuits whenever her foster mom entered the room.

### And then something extraordinary happened.

Neely's previous owner's sister saw her story on NCAL's social media. Touched by her resilience and love for her original family, she stepped forward to adopt her—giving Neely a forever home where she is adored. Best of all, Neely still gets to visit her original dad. It's a reunion none of us expected but one that couldn't be more perfect.

After everything she endured, Neely's story came full circle. Her journey reminds us that healing takes time, love finds a way, and sometimes—happy endings are even better than we imagined.

## Vermont, Alabama, Texas, and Massachusetts, what do these states have in common? They are where our wonderful NCAL adoptable dogs came from during 2024!

**Old Greg**, a 10-year-old Boxer mix was dumped out of a car on the side of the road in Walden, VT. Alone and scared, good samaritans found him and contacted the Animal Control Officer. The Town Council found him a place to board with a wonderful older woman who kept him safe on her farm while a place for him was found. The Town Council reached out to us at NCAL and we worked together to find a way to get him from the woman's house to the shelter as she had recently had a medical event and could no longer drive.

From the second Greg walked in the door at NCAL we knew he was special. He greeted everyone enthusiastically with a big smile on his face. Our shelter staff was impressed with how well he did during his initial assessment and medical exam. He was a perfect gentleman through it all. He turned his nose up at our fancier treats and gobbled down milkbones much to the amusement of our behavior consultant. Old Greg's winning personality quickly led to him becoming a staff and volunteer favorite.

No one could fathom a reason why he would have been abandoned at his advanced age to fend for himself in a strange place, but we were glad that he was safe and now available to find a caring home. He was only with us for a few weeks when a young woman walked in looking for a dog. She and Old Greg fell in love and he will get to live out his golden years safe and warm.

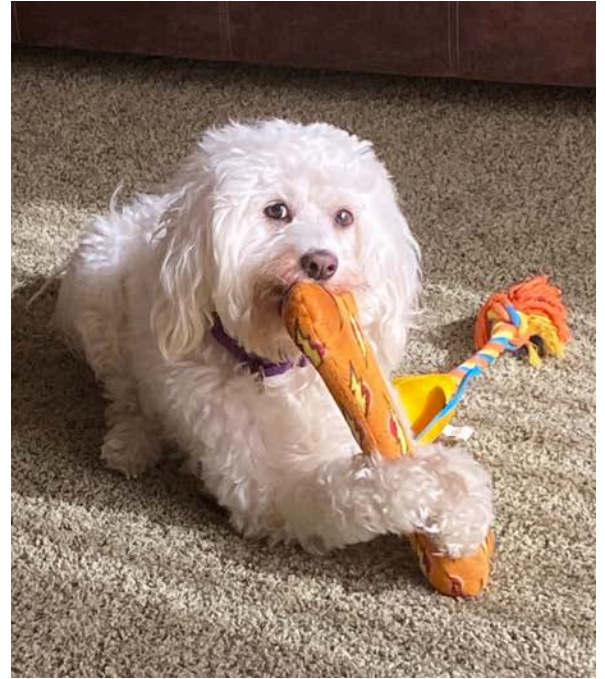

When adorable pup **Pony** came to us from Alabama, we were surprised to see that what had looked like one ear up and one ear pinned back in her photo, was actually one ear up and a missing ear! We reached out to our southern partner to ask more about her story. Not only had Pony survived an attack at the shelter that resulted in her losing her ear, but she narrowly escaped the shelter with her life.

When our southern partners entered the shelter that day, they were told that the shelter was overcrowded and currently euthanizing dogs for space, including a litter of puppies. Pony's litter. They jumped to the rescue and said they would take the puppies so that they could have a second chance at life. Pony and her sister Doll were the only two left by the time they arrived. They went to foster with our partners where they were nursed back to health. Their adorable faces caught our attention and we chose them to come up to VT, not knowing their tragic backstory. Pony and Doll have both been adopted!

**Brielle**, now Ellie, came to us from Texas. The Dallas-Fort Worth shelter can have hundreds of dogs in care at any given time. Anything from chihuahuas to poodles to pit bulls. They are overcrowded and do their best every single day to save as many dogs as they can when faced repeatedly with impossible decisions of life and death. We are so lucky here in Vermont to not have to euthanize healthy, adoptable animals purely due to space.

Ellie came up and was immediately claimed by an adopter from Rhode Island who is a relative of one of our staff members. She looks to be a purebred Bichon Frise! Ellie spent a few days on a farm in Vermont before going to her owner where she instantly adapted to young children, 3 large dogs, 3 cats, chickens, and goats! She is now in Providence, her owner has this to say: "She is absolutely the most adorable, special little girl, and I am so lucky to have her. She is house trained and loves to go on walks, but she also is happy to just hang out with me at home. She has made everything better since I got her." Ellie has never met a stranger, and it's rare she makes it through a walk in her neighborhood without stopping to be pet by passing admirers.

**Meredith** came to us from a rescue partner in Massachusetts, where she and her siblings had been waiting for months in foster care. They were reportedly a little bit shy, but lovely and friendly once they warmed up. We had space, and they needed a new audience, so we called on our transport driver, Becky, to make the trip from MA to VT with these 3 girls and one other dog who had been waiting in foster care for months as well. Within two weeks, all of these dogs had found new homes. Vermont loves huskies, and Meredith and her sisters got very lucky. Meredith's adoption story was especially touching for those of us at NCAL because we already knew her adopters.

One of our Alabama dogs, Smoke (black lab), had found an amazing home. They loved him so much, and enjoyed having a dog so much, they came in looking for a friend for him one day. They saw Meredith and fell in love. Having two dogs in the home was a bit of a learning curve, but they figured it out and soon became a happy two-dog family. Meredith (now Storm) and Smoke love snuggling, and have no sense of personal space, with Storm lying on TOP of Smoke in a photo they shared with us. Their days are full of hiking, fetch, and swimming during the warmer months. Since adopting Storm, they have added a third dog to their family, following the passing of a relative, and have quickly gone from having no dogs to three in less than a year. They now have one in each size, small, medium, and large! Dogs can truly change your life in such a fulfilling way. We love our repeat adopters!

# VOLUNTEER SPOTLIGHT: MEET SHERRY

Sherry is one of North Country Animal League's most dedicated and invaluable volunteers. Her commitment shines through in everything she does. Whether she is walking dogs, feeding cats, or lending a hand wherever it's needed, Sherry brings a sense of positivity and compassion to every task.

Her love for animals is unmistakable, and she devotes countless hours each week to ensuring they receive the care, attention, and enrichment they deserve. Sherry exemplifies the spirit of volunteerism that is at the heart of NCAL.

Volunteers like Sherry are vital to our mission. Each year, hundreds of volunteers generously give their time and talents to support our work, from providing daily care to helping with events and community outreach. Their dedication makes it possible for us to do more, reach more, and save more lives.

To all our volunteers, we extend our heartfelt gratitude. Your compassion and commitment inspire us every day, and NCAL would simply not be able to do this work without you. Thank you for being an essential part of our team and for making a difference in the lives of the animals and people we serve.

**In 2024, 31 active volunteers generously contributed 403 hours of service to North Country Animal League,** representing an in-kind value of more than **\$13,500.** Volunteers are an essential part of our team, helping to walk dogs, care for cats, assist at events, and support our mission in countless ways. Their commitment enhances the care and attention each animal receives and strengthens our community. We are deeply grateful for every hour given and for the incredible difference our volunteers make every day.

We are always looking for dedicated animal lovers to join our volunteer team. To learn more and sign up, visit [ncal.com/volunteer](https://ncal.com/volunteer).

# OTHER WAYS TO SUPPORT NCAL'S VITAL WORK

Since 1990, North Country Animal League has been dedicated to creating a compassionate community for both people and animals.

NCAL is a 501(c)3 nonprofit animal welfare organization. All of the work that we do is made possible because of your support! NCAL does not receive funding from the state or federal government and is not affiliated with a national organization. All donations are tax-deductible in accordance with IRS guidelines. **Our nonprofit Tax ID # is 03-0344067.**

There are many ways you can support the life-saving work we do and help create brighter futures for animals in need:

## Foster

Foster homes are essential to providing animals with a safe and loving environment outside the shelter while they await their forever homes. Becoming a foster caregiver gives some of our most vulnerable animals a second chance. Visit [ncal.com/foster](https://ncal.com/foster) to learn more about how fostering saves lives.

## Adopt

Opening your home to an animal in need is one of the most direct ways to make a difference. By adopting from NCAL, you are giving a homeless animal the love and security they deserves. Meet our adoptable animals at [ncal.com/adopt](https://ncal.com/adopt).

## Donate

Your financial support enables NCAL to continue providing exceptional care and vital services to animals and our community. There are many ways to make a gift:

- **One-Time or Recurring Gifts:** Make a secure donation online, by mail, or by phone. Monthly giving provides reliable support that sustains our operations year-round.
- **Tribute Gifts:** Honor a loved one, two- or four-legged, with a donation made in their memory or celebration.
- **Employer Matching Gifts:** Double your impact through your employer's matching gift program.
- **Sponsorship Opportunities:** Sponsor an adoption, an event, or a special program and make a targeted impact.
- **Gifts of Securities:** Donating stocks, bonds, or mutual funds can maximize your giving power while offering tax benefits.
- **Qualified Charitable Distributions (QCDs):** For individuals aged 70½ or older, QCDs from an IRA can be a tax-efficient way to make a meaningful gift.
- **Legacy Giving:** Create a lasting legacy of compassion by including NCAL in your will or trust, or by designating NCAL as a beneficiary of a life insurance policy or retirement account.

**Contact:** Please contact our Executive Director, Jacques Du Preez, at [jacques@ncal.com](mailto:jacques@ncal.com) today to talk about all the ways YOU can make a difference in the lives of animals and the people who love them.

We have made every effort to ensure the accuracy and completeness of the donor list included in this report, and to recognize all those who have so generously supported North Country Animal League over the past year. If, however, you notice that your name is missing or believe there has been an error, please accept our sincere apologies. We would be honored to correct the oversight—simply reach out to us at [jacques@ncal.com](mailto:jacques@ncal.com), and we will be happy to make the necessary revision to ensure your support is properly acknowledged.
